This Code of Behaviour was developed in 2020-21 by Breifne College in accordance with the guidelines Developing a Code of Behaviour: Guidelines for Schools, published by the National Educational Welfare Board, 2008 and in consultation with the members of the Board of Management, the students and parents' committee. The Code of Behaviour conforms with legislation as required by Section 23 of the Education Welfare Act (2000). The Code of Behaviour will be available on the school website, in the school office and a copy of the Code is given to new parents at the Parents' Information Night, prior to the start of the school year.

This Code is to be read in conjunction with the CMETB Suspensions and Expulsions Policy (Appendix1)

Scope of Policy: This Code applies to students of Breifne College, Cavan and relates to all school activities both during and outside of normal school hours. This policy has been reviewed in consultation with all the school partners, including Board of Management, Staff, Parents and Students. This policy is in line with National Educational Welfare guidelines.

This policy may also relate to an act which took place or allegedly took place outside the College where such act, or alleged act, gives rise to a serious concern on the part of school management in relation to the health and safety of students and staff, of the school and to the school's reputation.

Relationship to school's mission, vision and aims:

This policy has been developed in line with the mission of our school which has at its core, "the student is at the heart at everything we do". The school strives to provide a safe secure learning environment for the development of our students. Our school Code of behaviour is based on respect for oneself, for others and our environment, so that a positive and cooperative school atmosphere prevails.

Rationale

Many people work together in our school each day and therefore a high level of courtesy and consideration for others is necessary. Behaviour which is disruptive to quality teaching and learning cannot be tolerated. Our Code is one that is based on respect for oneself, for others and our school environment, so that a positive and cooperative school atmosphere prevails for all.

Goals/Objectives:

The aims of our Code of behaviour are:

- To create a climate that encourages and reinforces good behaviour
- To create a positive and safe environment for quality teaching and learning
- To build positive relationships of mutual respect and mutual support among students, staff, parents and visitors.

- To encourage students to take personal responsibility for their learning and their behaviour.
- To have effective procedures in place which will allow for the day to day running of the school and which meet the demands of current legislation.
- To help students mature into responsible and participating citizens.
- To allow for the appropriate involvement of all members of the school community.
- To ensure understanding by the parents, students, staff and management of the Code of Behaviour and the reasons for it.
- To outline the strategies to be used to prevent poor behaviour and the ways in which positive behaviour is acknowledged.
- To outline the structure of fair, consistent and agreed sanctions that will be used in response to negative behaviour.
- To outline the interventions to be used when a student repeatedly misbehaves.

Roles and Responsibilities:

The school climate and atmosphere are created by the actions and the behaviour of everyone in the school. Our school acknowledges the contribution of all members of the school community. Each member has responsibility for the promotion of good behaviour and a role in strengthening positive relationships of respect and trust. The school expects that students will, always do their best to uphold the Code of behaviour of our school. See section 8.4 of the NEWB guidelines for more information on the roles and responsibilities of adults within the school environment.

Parents/Guardians:

The school acknowledges the role of parents/guardians in the development and operation of the Code of Behaviour and expects them to support the Code and encourage their sons/daughters to uphold it.

Teachers:

The quality of relationships between teachers and students is a powerful influence on behaviour in the school. The Code fosters relationships of trust between students and teachers. The school acknowledges the role of teachers in the development and operation of the Code of Behaviour. The school recognises that a teacher's focus is in the area of teaching and learning, but that they also have a pivotal role to play in behaviour management. That pivotal role forms a core element of this Code. We have teachers assigned to each class and year group with special responsibilities for operating the Code. Subject Teachers, Class Tutors, Year Heads, N.B.S.S. personnel, Guidance Counsellors, Learning Support Teachers, Psychological Services, Other Agencies, Pastoral Care team, Deputy Principals and Principal all have specific roles to play in upholding the Code.

Other Staff:

The school acknowledges the contribution of ancillary staff (SNAs, Secretary, Caretaker, Clearer etc.) in the day to day running of the school. They too have a part to play in the successful operation of our Code of Behaviour. They have a responsibility to report incidents of misbehaviour and examples of positive behaviour they witness.

Board of Management:

All policies are developed with the authority of the Board of Management and must be approved by its members and formally approved and confirmed by Cavan and Monaghan Education Training Board, before becoming official school policy. While members of the Board of Management are not involved in the day to day procedures, they are the body to whom parents and students over 18 may appeal in cases of suspension or expulsion. The adults in the school have a responsibility to model the school's standards of behaviour, in their dealings both with students and with each other, since their example is a powerful source of learning for students. Parents/Guardians are expected to model the standards that the students are asked to respect. The ways in which parents and teachers interact provides students with a model of good working relationships.

School Rules:

School Rules apply *whenever you are wearing the school uniform, when representing the school or when engaged in any school activity*. If a behaviour which occurs outside normal school time impacts negatively, on school life for any of its members, or brings the reputation of the school into disrepute, school rules and sanctions may apply. School rules describe in simple terms how to behave in order to learn well and to develop into mature and responsible adults They are there to safeguard students' right to learn and teachers' right to teach in a caring, safe and respectful environment. Therefore...

We expect

Boundaries

The College boundaries are clearly defined, and each student is made aware of the restrictions that apply. 'Boundaries' is taken to mean interior and exterior limits of access for students. Breifne College boundaries are there for the safety and protection of the student body. The College has a responsibility for the students in its care, and so must be aware of where students are at all times. A regular breach of the College boundaries will be deemed as a serious breach of the College Code of Behaviour.

Students travelling by bus or car

Students who travel to school by bus are expected to travel home by bus.

Permission to do otherwise must be accompanied by an explanatory parental note together with permission from the Deputy Principal or Principal.

Parents delivering or collecting students by car are expected to drop or collect students at the school gate before 8:40a.m.

Parents are requested not to enter the school grounds for pickups unless there is a medical reason for health and safety reasons.

Students are not permitted to drive a vehicle onto the school grounds.

School Trips/Games/Activities:

Students of Breifne College undertake many school outings during the year. The College will ensure that safe methods of transport are used.

- Students must conduct themselves in accordance with the school's Code of Behaviour and refrain from any anti-social behaviour.
- All instructions issued by teachers/supervisors/organisers etc. must be followed.
- Students participation on school teams/activities is conditional on the student completing both classwork and homework provided by the teachers during the school day.

Sport

Participation in sport is a pivotal aspect of school life in Breifne College. Students are required to be punctual for PE classes or sports games, both home and away. Students must wear the appropriate PE uniform when participating in PE classes or playing competitive matches and must wear the College uniform when attending away matches.

Students supporting teams must behave in a manner that reflects positively on Breifne College. Offensive songs, chants and provocative actions do not form part of providing vocal support for the College's teams, and will not be tolerated

Pornography/Offensive material

- Students must not access or have possession of pornographic or offensive material. The possession and/or disseminating of pornographic material constitutes a serious breach of the College's Code of Behaviour. All students are required to adhere to and sign the College's Acceptable Use Policy. A breach of this Policy is subject to immediate suspension and/or expulsion from the College.

Fighting

- Physical fighting is regarded by the College community as unacceptable behaviour and, as such, will always be viewed as a serious breach of the Code of Behaviour, and is subject to immediate suspension and/or expulsion from the College.

Alcohol

- Breifne College views with concern the consumption and abuse of alcohol among people of all ages, including the young. The consumption of alcohol while the student is under the care of the College is strictly prohibited. On no account may students bring/share/sell alcoholic drinks on Breifne College property. Students who attend Breifne College under the influence of alcohol will have breached the Code of Behaviour and may be subject to immediate suspension and/or expulsion from the College.

Drugs

The use by a student of prohibited drugs (as defined by Breifne College Substance Misuse Policy - A drug can be defined as any chemical that causes change in the way a person functions, either mentally, physically or emotionally and includes prescription drugs and 'legal highs'. while he/she is in the care of the College is strictly prohibited. Any student who uses banned substances, or provides them for another student, will be liable to immediate suspension and/or expulsion from the College.

Smoking

- In accordance with the Safety, Health and Welfare at Work Act 2005, it is the policy of the Cavan and Monaghan Education and Training Board to ensure, so far as is reasonably practicable, the safety, health and welfare at work of all staff and to protect students/learners, visitors, contractors and other persons at School from injury and ill health arising from any work activity. Smoking of tobacco products is already prohibited in CMETB premises, as workplaces, by the Tobacco Smoking (Prohibition) Regulations 2003.

Students found smoking will be subject to immediate suspension.

.

Electronic Smoking/Vaporising Devices

- There is no conclusive medical evidence for or against the safety of e-cigarette use, especially long-term, or the potential effects of passive exposure to emissions from electronic cigarettes. The World Health Organisation is of the view that the safety of e-cigarettes has not been scientifically demonstrated and the potential risks they pose for the health of users remains undetermined. E-cigarettes remain unregulated as either a medicine or food product.

- Because e-cigarettes resemble ordinary cigarettes, their use may promote or renormalize smoking, disrupt the environment for non-smokers, make it harder for smokers to quit and for the CMETB to support the smoke free policy. The use of e-cigarettes, vaping and/or other electronic tobacco replacement products is banned from all CMETB schools.

Mobile Phones

The use of mobile phones, recording devices, (audio or image), personal MP3 players, iPod, Smartwatches or other electronic devices is not allowed in the classroom. Students may use their mobile phones in class if and only if requested by teachers in the course of class or project work.

Taking photographs or images and or audio recording by students in school is strictly prohibited.

The State Examinations Commission does not allow mobile phones to be used as calculators or clocks during state examinations. This is also the school policy.

If a phone rings or is produced in a classroom or between classes, the phone will be confiscated by the teachers and may be left in the front office. The student can collect the phone at the end of the following school day.

Further breaches of this rule may result in the prohibited item being confiscated for a longer period or in more severe sanctions being imposed.

A student whose phone has been confiscated may use the school phone, if necessary.

Where a student is seen by a member of staff with a phone but refuses to hand it over, an investigation will take place and pending the outcome of the investigation, the student may receive an automatic suspension.

The school accepts no responsibility for the loss or theft of a mobile phone or any electronic device in school.

Neither will the school undertake an investigation should a loss or thefts occur.

All students are reminded that videoing any member of the school community during school hours is strictly forbidden and are also reminded that sharing such content on social media or closed groups its own legal repercussions.

Personal Relationships

- Students' personal relationships should not be displayed publicly in the College environment, for example; holding hands, kissing, hugging etc.

Preventative Measures

In Breifne College students will be encouraged in their efforts to uphold the Code of Behaviour by use of the following measures:

(a) The Code of Behaviour will be published on the school website and a summarised version is published in the Student Journal. Students and their parents are asked to read it and to sign their agreement with the content when registering. By doing so they acknowledge their support and co-operation with it. This is to ensure that parents and students understand what our rules are, why they must be adhered to and what procedures will be followed if the rules are not upheld.

(b) Aspects of the Code are explained at the information meeting held each year for parents of incoming First Years. Parents are encouraged to contact their son/daughter's Year Head if they wish to raise a concern about a behavioural matter. Parents are invited to get involved in the Parents' Association or to avail themselves of the meetings organised by the association.

(c) At the start of each school year, the Code of Behaviour is explained to all students. This is done to give students the opportunity to think and talk about behaviour, learning and rules so that they can understand what the Code of Behaviour means for them.

(d) The Code of Behaviour is published in the Teachers' Handbook. At the beginning of the school year teachers are brought through the main aspects of the implementation of the Code. This is done to promote consistency of practice.

(e) We recognise in Breifne College that effective teaching and learning are closely linked to good behaviour. When students are engaged and motivated to learn, it is more likely that their behaviour will be positive. Teachers are encouraged to participate in continuous professional development. Within school, staff development includes exploring different teaching methods such as Assessment for Learning and differentiation. Regular Subject Department meetings address curriculum needs and promote collegiality among staff.

(f) If a student is in breach of a rule, he/she may be asked to explain (orally or in writing) the rule he/she has breached, to describe what effect this breach has had on members of the school community, and how he/she could act differently in the future to avoid being in breach of the rule.

This is done to develop the student's sensitivity and consideration for others and to assist them in upholding school rules in future. The principles of Restorative Justice are also applied where possible. Students are encouraged to speak to their Tutor or Year Head if they wish to raise a concern about a behavioural matter.

(g) School rules and the reason for them are discussed as part of the school's pastoral care programme or as part of SPHE. The notion of tolerance for others, self – control, a sense of fairness and the principles of natural justice are also discussed as part of the Religious Education programme in the school

(h) Issues such as Bullying, Racism, Sexism, Harassment, Violence, Substance Misuse are discussed with the students during their time in our school, using current legislation, current affairs and outside speakers. This is to help the students better understand these issues so that they can base their thinking, understanding and action on information and in the line with the values espoused in our school.

(i) The school's Anti-Bullying policy, which will be published on the school website and of which a summarised version is published in the Student Journal, sets out the actions taken in relation to alleged breaches of the policy.

Students with Additional Educational Needs:

- Subject teachers, resource teachers and special needs assistants should check that standards and rules are communicated in a way that students with special educational needs can understand. This understanding needs to be checked from time to time especially where a student with special needs is acting in a way that would usually be being in breach of the rules. Teachers may need support in understanding how best to help a student with special educational needs to conform to the behavioural standards and expectations of the school.

Rewards

In our school, teachers' use the following methods to reward students for upholding the Code of behaviour:

- Verbal praise of student by teacher privately
- Positive note recorded in the student journal
- End of year rewards trip

- Tokens for the canteen
- Certificates sent home
- Positive comment regarding the student to tutor or Year head
- Class outing related to the curriculum
- Brief, positive note or phone call to parents
- Highlight curricular/extra-curricular achievements on notice boards in classrooms and corridors
- Display of student's work around the school
- Highlight curricular/extra-curricular achievements on school website, school twitter and Facebook accounts and school newsletter or in local newspaper
- Recognition at end of year awards night

Students with Additional Educational Needs:

- Rewards for students with special educational needs should take account of their learning styles. For all students and especially those with learning difficulties, a reward will have an impact when it is closely linked in time to the behaviour that is being rewarded.

Strategies and Sanctions

The purpose of these strategies and sanctions is to bring about a change in behaviour. They help students to learn that their behaviour is unacceptable and to learn to take responsibility for their behaviour.

The following strategies and sanctions are used so that our students understand that they have choices about their own behaviour and that all choices have consequences.

They are scaled to take account of the nature of the incident, the situation leading up to the incident and are implemented by the staff of the school in accordance with our system of referral.

- A reminder or caution to the student
- Interview or talk with the student outlining the expected behaviour
- Alter the seating arrangement or move the student seat
- Carrying out a useful task in school
- Extra appropriate work assignment
- Student to present to the teacher before school or at break with the work complete and/or an apology
- Note in Student Journal
- A fine to cover the cost of repair or replacement
- Removal of privilege
- Consultation with Class Tutor/Year Head/ Deputy Principal
- Telephone call to parents
- Removal of student from scene of incident while still under supervision

Strategies and sanctions for more serious incidents or for consistent breaches of our Code of behaviour include the following. These may be applied but not necessarily in the order listed.

- Giving the student a piece of written work to do in which they have to outline in writing the rule/rules they breached, the effects this breach had on themselves and on other members of the school community and how they can avoid a repeat of this behaviour.
- Withdrawal from class
- Lunchtime detention
- Meeting with the Discipline Committee
- Behaviour Contract between school, student and parent
- Refer student to Tutor/Year Head/Deputy Principal/Principal
- Telephone call to parents
- Formal letter home
- Meeting with parents
- In house suspension
- Suspension from School (see CMETB Suspension and Expulsion policy)

Lunchtime detention or short detention is defined as a period of detention of about 30mins duration during lunchtime.

Referrals

The basic principle of referral system is that the higher up the ladder an incident is dealt with, the more serious it is viewed. The ladder of referral involves all staff in the implementation of the Code of Behaviour in a day-to-day and practical way. It gives an ownership of the policy to all staff and it is appropriate that they be involved as they operate it on an on-going basis.

If a student has a problem which is contributing to their inability to uphold the Code of Behaviour, then the following referrals may be made:

- Referral to Year Head
- Referral to Guidance Counsellor / NBSS personnel
- Referral to Learning Support for testing and/or help in behaviour modification.
- Referral to Deputy Principal
- Referral to Principal
- Referral to appropriate outside agency

Serious transgressions may mean bypassing of certain steps if deemed appropriate by the Principal.

The Subject Teacher

The subject teacher is the frontline source of help for students. As a leader of learning and someone with an established relationship of trust, the subject teacher will have a strong influence with students. Each teacher has the responsibility for managing behaviour in his/her own classroom and will deal with routine incidents of misbehaviour through classroom management strategies.

The Class Tutor will also advise and guide the student to reflect on disruptive behaviour with a view to changing to more positive behaviours.

More serious offences should be dealt with under Step 2 of our referral system. The role and responsibilities of the Subject Teachers include the following:

- Promoting teaching and learning in a safe and caring environment.
- Giving regular assessments and monitoring progress

- Using the school journal and student database (VSWare) as a method of communication with home re: behaviour, work rate, homework, attendance etc.
- Keeping records of any incidents which may occur during class including the student database.
- Each student is equipped with a School Journal, which the Class Tutor signs at the end of each week and parents/guardians are requested to countersign.
- Completing a Referral Sheet in the event of ongoing problems and returning same to the Year Head, having utilised and recorded classroom sanctions.
- Recording a class attendance for each class, each day on VS Ware.
- Completing progress and exam reports.
- Implementing school rules throughout the school.
- Contacting parents to discuss areas of concern in their subject area.

The Year Head

Each Year Group is assigned a teacher(s) with special responsibility for them. He/she has a pastoral and disciplinary role to play with the class groups that make up this year group. The role and responsibilities of the Year Head(s) include the following:

- Dealing with referral sheets/complaint notes received from subject teachers
- Contacting parents to discuss areas of concern
- Checking student journals/student database on a regular basis
- Ensuring that the student's discipline and academic records are kept up to date in the appropriate files.
- Monitoring the uniform and hygiene of students and taking appropriate action to ensure everyone conforms to the appropriate dress code.
- Issuing and monitoring of day and progress report sheets.
- Meeting with parents to discuss and resolve any problems or difficulties relating to students. (Parents must contact the school secretary to make an appointment to attend a meeting with the Year Head)

In the event, that the Year Head is not able to investigate this incident an alternative Year Head or Deputy Principal will carry out this role.

The Deputy Principal or Principal

Students whose behaviour has not been modified despite the school's best efforts will be referred by the Year Head to the Deputy Principal / Principal. - If a student reaches 85 points, go on Yellow Day report.
- If a student reaches 75 points must sit before Discipline Committee
- Contract of acceptable behaviour signed
- If a student reaches 70 points, suspension may be applied
- A student on less than 70 points will be removed from all trips and possible teams
- All VSWare points goes on student permanent record for six years after the student leaves and is subject to FOIs.

Implementation

All registered students of the school have a summarised version of the Code of Behaviour in their School Diary. **The Code will be published in its entirety on the school website and is also available from the school upon request.** All staff have a copy of the Code in their Teachers' Handbook.

At the beginning of each year each class is brought through the Code of Behaviour. This is done to give students the opportunity to think and talk about behaviour, learning and rules so that they can understand what the Code of Behaviour means for them. At the beginning of the school year teachers are also brought through the main aspects of the implementation of the Code. This is done to promote consistency of practice.

This Code of Behaviour was drawn up in consultation with the parents, students, staff and management of Breifne College. The Code is monitored on a regular basis. Aspects of the Code are discussed formally at Year Head, Staff, Department and Committee meetings. Teachers are encouraged to communicate concerns and suggestions to the pastoral team.

This policy was adopted by the Board of Management of Breifne College at the meeting of the Board on

BORD OIDEACHAIS AGUS OILIÚNA AN CHABHÁIN AGUS MHUINEACHÁIN

SUSPENSION AND EXPULSION POLICY AND PROCEDURES

1. Policy Statement

1.1. The suspensions and expulsions policy applies to all schools established and maintained by Cavan and Monaghan Education and Training Board.

2. Legal framework

2.1. Cavan and Monaghan ETB acknowledges the duty of schools under its control to publish their policy concerning admission and participation in the school, including the policy of the school relating to the expulsion and suspension of students pursuant to Section 15 (d) of the Education Act 1998 and Section 23 of the Education Welfare Act 2000. The Code of Behaviour in Breifne College specifies:

- The standards of behaviour that shall be observed by each student attending the school
- The measures that may be taken when a student fails or refuses to observe those standards
- The procedures to be followed before a student may be suspended or expelled from a school
- The grounds for removing a suspension imposed in relation to a student
- The procedures to be followed relating to notification of a child's absence from school.

2.2. Breifne College affirms that its Code of Behaviour is prepared in accordance with the Guidelines issued by the Education Welfare Board 2008. The Code of Behaviour addresses:

- The standards of behaviour expected in the school
- The plan for promoting good behaviour
- The ways in which a school responds to unacceptable behaviour
- The plan for implementing the Code of behaviour
- School procedures for the use of suspension and expulsion

2.3. Breifne College recognises the Right to Appeal pursuant to Section 29 of the Education Act.

2.4. In regard to informing the Education Welfare Board, Breifne College affirms its statutory obligation pursuant to section 21 (4)(a) of the Education Welfare Act.

2.5. Breifne College affirms that data collected in relation to students and parents is in compliance with the Data Protection Acts 1988 and 2003.

3 Suspensions

3.1 The Board of Management of Breifne College holds the authority to suspend a student. This authority is devolved under Section 44 (11(a)) of the Education and Training Boards Act 2013 by Cavan and Monaghan ETB to the Boards of Management of each of the schools under its control.

3.2 Cavan and Monaghan ETB recognises that the Boards of Management of Breifne College may delegate this authority to the Principal of Breifne College. The Board of Management should make a formal delegation arrangement taking due account of the provisions of the Education and Training Boards Act 2013.

3.3 Breifne College recognises that suspension is only one strategy within the Breifne College Code of Behaviour in response to inappropriate behaviour.

3.4. Breifne College recognises that when all other strategies have been exhausted, suspension affords a student time to reflect on their behaviour, to acknowledge and accept responsibility for their behaviour and to accept the need for the behaviour to change. Breifne College works closely with parents to assist a suspended student to re-join the school community successfully.

3.5. Breifne College acknowledges that suspension should be a proportionate response to the behaviour that is causing concern. The decision to suspend a student requires serious grounds such as that:

- The student's behaviour has had a seriously detrimental effect on the education of other students.
- The student's continued presence in the school at this time constitutes a threat to safety.
- The student is responsible for serious damage to property.
- The student breaches the Code of Behaviour. (At the discretion of the Principal.)

3.6. Breifne College affirms that ***all suspensions*** must be notified to the Board of Management of Breifne College.

3.7. Breifne College affirms that the Education Welfare Services of the Child and Family Agency (Tusla) should be Informed of suspensions in the following circumstances:

- Where the period of suspension is for 6 or more consecutive school days.
- Where the aggregate number of days on which a student has been suspended /absent in any school year is 20 or more days.

3.8. Breifne College affirms that suspension may occur after the following factors have been considered:

- The nature and seriousness of the behaviour
- The impact and context of the behaviour
- The interventions tried to date
- That all discipline options under the Breifne College Code of Behaviour have been applied and documented
- That all actions /decisions taken are recorded and all correspondence copied.

- Discussion has occurred with the student and parent(s) regarding the specific behaviour which the school considers unacceptable, and which may lead to suspension.

3.9. The Board of Management of Breifne College affirms that students attending Breifne College may be suspended as follows pending investigation and /or discussion with parents. The following list is not exhaustive:

- For serious misbehaviour
- For an unacceptable level of repeated misbehaviour
- For bullying, insulting, aggressive or violent behaviour towards others whether in person, by mobile phone or via social media or other electronic means; in the school, or when identifiable with the school
- For the supply/possession /use of alcohol and /or illegal drugs
- For the supply /possession /use of weapons/ hazardous materials
- For behaviour that may be a danger to self or others
- For racist behaviour /supply of racist behaviour/use of racist material
- For behaviour that is contrary to the terms of the Equal Status Act 2000
- For sexual harassment and/or the possession/supply /use of pornographic material.

3.10. Breifne College acknowledges that a single incident of serious misconduct may be grounds for suspension. Such grounds may include where the continued presence of the student in the school at the time would represent a serious threat to the safety or welfare of students, staff of the school or any other person.

3.11. A student may be suspended during a state examination and such suspension should normally be approved by the Board of Management of Breifne College. This type of suspension should only be used where there is:

- A threat to good order in the conduct of the examination
- A threat to the safety or welfare of other students and personnel
- A threat to the right of the other students to do their exam in a calm atmosphere.

3.12. Cavan and Monaghan ETB recognises that the Board of Management of Breifne College may decide as part of the school's policy on sanctions and following consultation process with the Principal, parents, teachers and students, that particular named behaviour incur suspension as a sanction. This does not remove the duty to follow due process and fair procedures in each case.

4 Inappropriate use of Suspension

- Rolling suspension. A student should not be suspended again shortly after they return to Breifne College unless they engage in serious misbehaviour that warrants suspension, that fair procedures are observed in full and the standard applied to judging the behaviour is the same as that standard applied to the behaviour of any other student.
- Informal / unacknowledged suspension. Exclusion of a student for part of the school day as a sanction is a suspension.
- Open-ended suspension. Students should **not be suspended for an indefinite period**. Any such suspension would be regarded as a de-facto expulsion.

5 Procedures in respect of Suspension.

5.1 Cavan and Monaghan ETB affirms that Breifne College is required to follow fair procedures when proposing to suspend a student. The school should observe the following procedures:

- The student and parent(s) should be informed about the complaint
- The student and parent(s) should be given the opportunity to respond
- In the case of 'immediate' suspension, a preliminary investigation should be conducted to establish the case for the imposition of the suspension. Parents must be notified and arrangement made for the student to be collected from the school. The school must have due regard for its duty of care for the student.

5.2 A student **should not be suspended for more than 3 days** except in exceptional circumstances. Cavan and Monaghan ETB recognises that the Board of Management of Breifne College should provide guidance to the Principal concerning the kinds of circumstances under which suspensions of longer than 3 days might be approved. If a suspension of longer than 3 days is being proposed the matter should be referred to the Board of Management for consideration and approval. However Cavan and Monaghan ETB recognises that the Board of Management of Breifne College may

wish to authorise the Principal, with the approval of the Chairperson of the Board of Management, to impose a suspension of up to 5 days in circumstances where a meeting of the Board cannot be convened in a timely fashion.

5.3 Cavan and Monaghan ETB affirms the Boards of Management of Breifne College should formally review any proposal to suspend a student where the suspension would bring the number of days for which the student has been suspended in the current school year to 20 days or more. Any such suspension is subject to appeal under section 29 of the Education Act 1998.

6 Implementing the suspension

6.1 The Principal of Breifne College should notify the Parent(s) and the student in writing of the decision to suspend. The letter will confirm:

- The period of the suspension and the dates on which the suspension will begin and end.
- The reasons for the suspension.
- Any study programme to be followed.
- The arrangements for returning to school, including any commitments to be entered into by the student and the parents.
- The provision for an appeal to the Board of Management of Breifne College.
- The provision to appeal to Cavan and Monaghan ETB.

6.2 In the case where Parents do not agree to meet with the Principal, Cavan and Monaghan ETB confirms that written notice will serve as notice to impose a suspension.

6.3 A suspension may be removed if the Board of Management of Breifne College decides to remove the suspension for any reason.

7. Appealing the suspension to the Board of Management

7.1 A parent/guardian has 7-10 days in which to lodge an appeal from the date of receipt of letter informing him/her of the suspension.

7.2 If the student appealing suspension is 18 years or older, he or she may appeal in their own right.

7.3 The grounds for the appeal must be made in writing to the Secretary of the Board of Management of Breifne College.

8 Procedures in respect of Suspension Appeal

8.1 Upon receipt of written correspondence concerning the suspension appeal, the Principal should:

- Inform the student and parents/guardians in writing that the Board of Management meeting is arranged to consider the suspension appeal
- Ensure that parents/guardians, or a student aged 18 or over have written records of (a) the allegation, (b) the investigation, (c) written notice of the grounds on which the Board of Management is being asked to consider the imposed suspension.
- Provide the Board with the same comprehensive records as are given to the parents/guardians, or a student aged 18 or over.
- Notify the parents/guardians/student over 18 in good time of the date of the hearing with the Board of Management and invite them to that hearing.
- Advise the parents/guardians/student over 18 that they can make a written and oral submission to the Board of Management.

8.2 It is the responsibility of the Board of Management of Breifne College to review the initial investigation and satisfy itself that the investigation was properly conducted in line with fair procedures.

8.3 The Board of Management should undertake its own review of documentation and all circumstances of the case.

8.4 The Board of Management should ensure that no party who has had any involvement with the circumstances of the suspension is part of the Board's deliberations.

8.5 Where the Board of Management of Breifne College decides to consider a suspension appeal for a student, it must hold a hearing and this meeting should be properly conducted in accordance with Board procedures.

8.6 Parents/Guardians may be accompanied at the Board hearing. The nature of appeal hearings is such that legal representation is not required. The Board Secretary should be informed in writing who shall be attending this meeting at least two days prior to the meeting taking place.

8.7 At the start of the meeting the Chairperson shall enquire whether any member has a conflict of interest in respect of the matter being considered by the Board. Where the Board is satisfied that a conflict of interest exists, the member(s) involved shall withdraw from the meeting.

8.8 At the hearing both the Principal and the parents/guardians, or a student aged 18 or over, will put their case to the Board in each other's presence and will be available to answer questions from Board Members. Each party should be allowed question the evidence of the other party. Questions should be directed through the Chairperson at the end of each presentation.

8.9 Once the Principal and the parents/guardians, or a student aged 18 or over, have made their cases, they will withdraw from the meeting.

8.10 When both sides have been heard, the Board should ensure that **the Principal and Parents/guardians are not present for the Board's deliberations.**

8.11 Should the Board require the professional advice of the Principal, the Principal may be invited to return to the meeting briefly for that purpose only. While the Principal is present, there will be no discussion on the merits of the particular case being considered.

8.12 In the conduct of the hearing the Board must take care to ensure at all times that they maintain their impartiality between the Principal and the parents/guardians, or a student aged 18 or over.

8.13 In hearing and determining an appeal the Board shall have regard to:

(a) the nature, scale and persistence of any behaviour alleged to have given rise to, or contributed to, the decision made by or on behalf of the Board,

- (b) the reasonableness of any efforts made by the school to enable the student to whom the appeal relates (the 'student concerned') to participate in and benefit from education,
- (c) the educational interests of the student concerned and the desirability of enabling the student as far as practicable to participate in and benefit from education with his or her peers,
- (d) the educational interests of, and the effective provision of education for, other students of the school and the maintenance of a classroom and school environment which is supportive of learning among the students of the school and ensures continuity of instruction provided to students in any classroom concerned and the school,
- (e) the safety, health and welfare of teachers, students and staff of the school,
- (f) the Code of behaviour under section 23 of the Education (Welfare) Act of 2000 and other relevant policies of the school and —
 - (i) in the case of that Code of behaviour, the extent to which it is in compliance with that section 23 and any guidelines issued under subsection (3) of that section, and
 - (ii) in the case of those other policies, the extent to which each of them is implemented, promotes equality of access to and participation in education and is in compliance with —
 - (I) any enactment that imposes duties on schools or their boards,
 - (II) any relevant guidelines or policies of the Minister,
- (g) the duties on schools or their boards imposed by or under any enactment,
- (h) guidelines issued pursuant to section 22(7) of the Act of 2000, and
- (i) such other matters as the Board considers relevant.

9 Board of Management deliberations and actions following the hearing

9.1 Having heard from all the parties involved it is the responsibility of the Board to decide whether or not the allegation is substantiated and if the imposed suspension is a proportionate sanction.

9.2 When the Board of Management having considered all the facts of the case, is of the opinion that the student should be suspended, the Board will instruct the school principal to communicate the decision of the Board of Management to the parents/guardians, or student aged 18 or over and to uphold the decision to impose a school suspension

10 Section 29 Appeal against Suspension

10.1 Where the total number of days for which the student has been suspended in the current school year reaches 20 days, the parent(s) or a student aged over 18 years, may appeal the suspension under Section 29 of the Education Act 1998.

10.2 Parents and the student should be informed about their right to appeal to Cavan and Monaghan ETB

10.3 Where an appeal to Cavan and Monaghan ETB is concluded, Parents and the student may appeal to the Secretary General of the Department of Education and Skills.

11 Expulsion

11.1 Cavan and Monaghan ETB has the authority to expel a student. This authority may be delegated under Section 44 (11(a)) of the Education and Training Boards Act 2013 by Cavan and Monaghan ETB to the Board of Management of Breifne College.

11.2 Expulsion should be a proportionate response to the student's behaviour. Breifne College acknowledges that expulsion of a student is a very serious step and one that should only be taken by the Board of Management of Breifne College in extreme cases of unacceptable behaviour.

11.3 The Board of Management of Breifne College affirms that Breifne College needs to have taken significant steps to address the misbehaviour and to avoid expulsion.

Such measures may include:

- Meeting with parents and students to try and find ways of helping the student to change their behaviour.
- Making sure that the student understands the possible consequences of their behaviour should it persist
- Ensuring that all possible options have been tried.
- Seeking the assistance of relevant support agencies, e.g. Child and Family Agency Education Welfare Services, HSE Child and Adolescent Mental Health Services. National Behavioural Support Service JLO, NEPS, NCSE.

11.4 A proposal to expel a student requires serious grounds such as that:

- The student's behaviour is a persistent cause of significant disruption to the learning of others or to the teaching process
- The student's continued presence in the school constitutes a real and significant threat to the safety and welfare of others.
- The student is responsible for serious damage to property.

11.5 Before expulsion is considered schools authorities must satisfy themselves that all possibilities have been exhausted for changing the student's behaviour.

11.6 'Automatic Expulsion'

The Board of Management of Breifne College may decide in consultation with the Principal, parents, teachers and students that particular named behaviours would result in 'Automatic' expulsion. This does not remove the duty to follow due process and fair procedure.

11.7 Expulsion for first or once-off offence

There may be exceptional circumstances where the Board of Management of Breifne College decides that a student should be expelled for a first offence. The kinds of behaviour that might result in a proposal to expel on the basis of a single breach of the Code of Behaviour could include:

- A serious threat of violence against another student or member of staff
- Actual violence or physical assault
- Supplying illegal drugs to students in the school
- Sexual assault

12 Factors to Consider before proposing to expel a student

12.1 The Board of Management of Breifne College should take the following factors into consideration before considering expelling a student:

- The nature and seriousness of the behaviour

- The context of the behaviour
- The impact of the behaviour
- The interventions already tried to change the student's behaviour
- Whether expulsion is a proportionate response
- The possible impact of expulsion

12.2 Expulsion would not be appropriate for the following:

- Poor academic performance
- Poor attendance or lateness
- Minor breaches of the Code of Behaviour

However, any behaviour that is persistently disruptive to learning or dangerous can be a serious matter. Behaviour must be examined in context to understand both the behaviour itself and the response or sanction that is most appropriate.

13 Procedures in respect of expulsion

13.1 A detailed investigation will be carried out under the direction of the Principal. The Principal should ensure that no party who has had any involvement with the circumstances of the case is part of the investigation.

13.2 The Principal should inform the student and his/her parents about the specific details of the alleged breach of behaviour, how it will be investigated and that it could result in expulsion. The Principal must ensure that the student and parents are given every opportunity to respond to the complaint of serious misbehaviour. The Principal should communicate this in writing to ensure that parents have a permanent record of having been informed.

13.3 A meeting should be arranged between the student and their parents and the Principal of Breifne College before a sanction is imposed.

13.4 Should a student and their parent(s) fail to attend a meeting the Principal should write advising:

- the seriousness of the matter
- the importance of attending a re-scheduled meeting
- Failing that, the duty of the school authorities to make a decision to respond to the inappropriate behaviour
- Record all correspondence

13.5 Where the Principal of Breifne College forms a view, based on the investigation of the alleged misbehaviour, that expulsion may be warranted, the Principal shall make a recommendation to the Board to consider expulsion.

13.6 The Principal should:

- Inform the student and parents in writing that the Board of Management is being asked to consider expulsion.
- Ensure that parents have written records of (a) the allegation, (b) the investigation, (c) written notice of the grounds on which the Board of Management is being asked to consider expulsion.
- Provide the Board with the same comprehensive records as are given to the student and the parents.
- Notify the parents in good time of the date of the hearing with the Board of management and invite them to that hearing.
- Advise the parents that they can make a written and oral submission to the Board of Management.
- Ensure parents are given enough notice to allow them to prepare for the meeting.

13.7 It is the responsibility of the Board of Management of Breifne College to review the initial investigation and satisfy itself that the investigation was properly conducted in line with fair procedures.

13.8 The Board of Management should undertake its own review of documentation and all circumstances of the case.

13.9 The Board of Management should ensure that no party who has had any involvement with the circumstances of the case is part of the Board's deliberations.

13.10 Where the Board of Management of Breifne College decides to expel a student it must hold a hearing and this meeting should be properly conducted in accordance with Board procedures.

13.11 Parents may be accompanied at the Board hearing but, as this is a lay forum; legal representation is not the normal practice, however it may be allowed due to the potentially serious consequences for the student. The Board Secretary should be informed in writing who shall be attending this meeting at least two days prior to the meeting taking place.

13.12 At the start of the meeting the Chairperson shall enquire whether any member has an objective bias in respect of the matter being considered by the Board. Where the Board is satisfied that an objective bias exists, the member(s) involved shall withdraw from the meeting.

13.13 At the hearing the Principal and the parents, or a student aged 18 or over, put their case to the Board in each other's presence and will be available to answer questions from Board Members. Each party should be allowed question the evidence of the other party. Questions should be directed through the Chairperson at the end of each presentation.

13.14 Once the Principal and the Parents have made their cases, they will withdraw from the meeting.

13.15 Should the Board require the professional advice of the Principal, the Principal may be invited to return to the meeting briefly for that purpose. While the Principal is present, there will be no discussion on the merits of the particular case being considered.

13.16 In the conduct of the hearing the Board must take care to ensure they are and are seen to be impartial as between the Principal and the student. Parents may wish to be accompanied at hearings and the Board should facilitate this in line with good practice and Board procedures.

13.17 When both sides have been heard the Board should ensure that the Principal and Parents are not present for the Board's deliberations.

13.18 In hearing and considering a proposed expulsion the Board shall have regard to:

(a) the nature, scale and persistence of any behaviour alleged to have given rise to, or contributed to, the decision made by or on behalf of the Board,

- (b) the reasonableness of any efforts made by the school to enable the student to whom the appeal relates (the 'student concerned') to participate in and benefit from education,
- (c) the educational interests of the student concerned and the desirability of enabling the student as far as practicable to participate in and benefit from education with his or her peers,
- (d) the educational interests of, and the effective provision of education for, other students of the school and the maintenance of a classroom and school environment which is supportive of learning among the students of the school and ensures continuity of instruction provided to students in any classroom concerned and the school,
- (e) the safety, health and welfare of teachers, students and staff of the school,
- (f) the Code of behaviour under section 23 of the Education (Welfare) Act of 2000 and other relevant policies of the school and —
 - (i) in the case of that Code of behaviour, the extent to which it is in compliance with that section 23 and any guidelines issued under subsection (3) of that section, and
 - (ii) in the case of those other policies, the extent to which each of them is implemented, promotes equality of access to and participation in education and is in compliance with —
 - (I) any enactment that imposes duties on schools or their boards,
 - (II) any relevant guidelines or policies of the Minister,
- (g) the duties on schools or their boards imposed by or under any enactment,
- (h) guidelines issued pursuant to section 22(7) of the Act of 2000, and
- (i) such other matters as the Board considers relevant.

14 Board of Management deliberations and actions following the hearing

14.1 Having heard from all the parties involved it is the responsibility of the Board to decide whether or not the allegation is substantiated and if expulsion is the appropriate sanction.

14.2 When the Board of Management having considered all the facts of the case, is of the opinion that the student should be expelled, the Board must notify the Education Welfare Officer in writing of its opinion and the reasons for this opinion pursuant to section 24 91) of the Education Welfare Act 2000. The Board should refer to the Child and Family Agency Education Welfare Services reporting procedures for proposed expulsions.

14.3 The student cannot be expelled before the passage of 20 school days from the date on which the EWO receives this written notification.

14.4 The Board of Management should inform the parents in writing about its conclusions and where expulsion is proposed the parents should be informed that the Board of Management will inform the Education Welfare Officer.

15 Consultations arranged by the Educational Welfare Officer

15.1 Within 20 days of receipt of a notification from a Board of Management the EWO will make all reasonable attempts to hold individual consultations with the Principal, the parent and the student.
